

Landscaping with Nature:

Engaging with Evolutionary Ecology in Your Native Garden

Thursday, August 27, 2020

8:30 a.m. to 2:30 p.m.

Zoom Webinar

Workshop fee: \$80 CNGA members, \$105 non-members, \$50 students with ID

Continuing Education Credits:

- Rescape Qualified Professionals - 4 CEUs
- National Association of Landscape Professionals - 3.5 CEUs
- QWEL (Qualified Water Efficient Landscaper) - 2 CEUs

This workshop is suitable for landscape professionals and anyone interested in maximizing habitat values in their landscaping. Expert instructors will present cutting-edge methods of design, installation, management, and maintenance including site evaluation, plant selection, evolutionary interactions, habitat features, and planting best practices to create a wildlife-friendly landscape.
